

NAPO Professionals' Full Service Senior Downsizing Partner

Moves for Seniors is Your One Source for Stress-Free Moving & Shipping

Moves for Seniors partners with NAPO professionals when working with seniors downsizing or transitioning into a retirement community. Our expertise in long distance moves and multi-location shipments of precious family items, complements your project management skills. Together, we will guide your client through the downsizing process and make their transition as stress-free as possible.

Since 2007, Moves for Seniors has been dedicated to serving the moving needs of seniors nationwide. We partner with professional organizers and senior move managers to help their clients with packing, moving, multi-location shipments, relocating heirlooms to family members and disposing of unwanted items.

Our NAPO Services Include:

- Local and long-distance moves
- Specialty shipping services for precious family items
- Multi-destination distribution
- Donations, storage, and junk removal
- Mover Packing when needed
- Clean out services
