

## WHAT CLIENTS ARE SAYING ABOUT US

*"Completing my 85-year old aunt's cross-country move was very much a team effort. I don't know how Moves for Seniors did it" Three days! They kept me in the loop on their progress the entire time. " Moves for Seniors, amazing. So compassionate. So caring. And the movers were just wonderful."*

*"My parents had 40 years of memories and stuff in their home. They worked around the clutter and memories. We had to make some last-minute decisions regarding the furniture. The movers took such care in wrapping and protecting the furniture. I must say they were more prepared than we were."*

*"The moving crew arrived right on time. They were efficient and took care not to create any damage to the home or furniture. They made the move of my 86-year old mother to a senior facility a snap. I would recommend this company to others in the future."*

*"The movers arrived on time and ready to go to work. They took time to take care of the furniture while loading and unloading. I can't say enough about how professional and courteous they were especially at a stressful time. I highly recommend Moves for Seniors, you will be highly satisfied!"*

*"An overall fantastic experience. The Moves for Seniors representative was very professional and pleasant to deal with and the movers were on time professional and took pride in their work. I would recommend your services in the future. Thank you for making my mom's transition a smooth one."*

*Our mom was so stressed about her upcoming relocation to a care facility over a thousand miles away. The caring, professional staff from Moves for Seniors were absolutely amazing! Mom's move was stress-free and organized, and now she's all moved in just a few miles from our family. Thank you, Moves for Seniors!*
